## **Tanner Remodeling & Construction Expands To New Hamburg Location**

Tanner Remodeling & Construction has purchased the former Weinar Paint Store building at 164 Buffalo Street in Hamburg, New York. Serving Western New York since 1974, the general contracting firm plans on doubling its workforce within the year and needed more space to expand its operations. In addition to addressing their staff and administration expansion needs, Tanner will add a comprehensive showroom and design facility to better serve its ever-growing client list. The highly visible location is literally across the street from the main entrance of the Hamburg Village Square Plaza between Pleasant and Maple.

“We’re extremely excited about the move and expansion,” said Tanner Remodeling & Construction President, Scott Tanner. “The location affords us a greater presents in the Southtowns as well as offers our customers the chance to come into the new showroom and see their various home styling options.”

Tanner is scheduled to move into the two-story, 6500 square foot block building on September 12. A Grand Opening is planned for St. Patrick’s Day, March 17<sup>th</sup> 2006, coincidentally, the Friday after the closing of the Buffalo Home Show.
